COVID-19 Statewide Stay at Home Order

Additional Illustrative Examples of Critical Infrastructure Businesses Consistent with Cyber and Infrastructure Security Agency Guidance

Updated: Sunday, March 22

On Sunday, March 22, Gov. Edwards issued a Stay at Home order, which puts some limits on business operating in Louisiana as the Governor seeks to reduce the spread of COVID-19 in the state and flatten the curve. For the purposes of this Stay at Home order, Proclamation Number 33 JBE 2020, businesses consistent with guidance from the Cyber and Infrastructure Security Agency (CISA) may remain open and individuals may leave their residence to perform any work necessary to provision, operate, and maintain these businesses.

The following business categories are consistent with the CISA guidance:

Essential Infrastructure. This includes, but is not limited to:

- Food production, distribution, and sale
- Construction, including, but not limited to, construction required in response to this public health emergency, hospital construction, construction of long-term care facilities, public works construction, and housing construction
- Construction Engineers
- Building management and maintenance
- Airport operations
- Operation and maintenance of utilities, including water, sewer, and gas
- Electrical, including power generation, distribution, and production of raw materials
- Distribution centers
- Oil and biofuel refining
- Roads, highways, railroads, and public transportation
- Ports
- Cybersecurity operations
- Flood control
- Solid waste and recycling collection and removal
- Internet, video, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services)
